## RARITAN VALLEY ARTS ASSOCIATION

### SPRING 2020 UPDATE

Hello Everyone!

Because of the current lockdown in New Jersey, the RVAA will not be meeting again until it is considered safe to do so. Hopefully in the interim you will be motivated to create! If you have something to share, work-in-progress, interesting links etc. please don't hesitate to send them in. Your contributions can be shared through email updates, like this one, and Facebook.

*Prayers for all to stay safe.  
Love, Marge*
